YOUTH FREED OF BLAME IN MAN'S DEATH ON EUCLID

Paul J. Calhoon Drives Car That Results in Death For Fred Jackson

INQUEST IS HELD TODAY

Chaffey Students Testify at Hearing As Officials Study Accident

Failure of an aged man to watch for automobiles while crossing Euclid avenue at F street resulted in death for Fred T. Jackson and the driver of the car hitting Mr. Jackson was exonerated.

An inquest jury in the J. B. Draper & Co. chapel this morning declared that Mr. Jackson's death was accidental and thereby relieving Paul Jack Calhoon, Chaffey high school junior, from any responsibility in the man's death.

The accident occurred Tuesday evening as the youth drove his car on Euclid and when Mr. Jackson suddenly appeared on the driveway from behind an automobile parked at the side. Five Chaffey students appeared as witnesses at the hearing held in the company's Ontario chapel. Mr. Jackson died at the San Antonio Community hospital yesterday afternoon without having fully regained consciousness. Funeral services will be held at the chapel tomorrow afternoon at 2:30 o'clock with Rev. Charles Knight in charge.

Appearing as witnesses at the hearing were Frank Clark, Jack Keller, Douglass Kelley, John Bondello and James Bond.

Citrus Growers To Unite Monday For Problem Discussion

It will be citrus growers' day Monday at the Riverside citrus experiment station, when growers from the county will unite for an all day meeting at which subjects concerning the growing of fruit will be discussed. Growers from the Upland district are urged to attend.

The meeting will open at 10 a. m. and end at 3 p. m.

Included in the talks will be "Recent Studies in Regard to Psorosis," H. S. Fawcett; "Orange and Lemon Rootstock Experiments," H. J. Webber, and "Exploring for Parasites of Red and Yellow Scales," H. Compere. Field trips will be taken to rootstock, fertilizer and zinc sulphate plots under the direction of Mr. Webber, L. D. Batchelor and E. R. Parker.

"Kid" Party Tuesday For Methodist Group

Junior adult class of the Methodist church will hold a "kid" party at the W. F. Naftel residence, West Arrow highway, Tuesday evening. Part of the evening will take the group outdoors for games, and the remainder of the evening games will be played in the hay loft of the Naftel barn.

Everyone attending is expected to dress as a kid, with prizes to be given for the best dressed boy and the best dressed girl. All members of the class and their friends are invited. Refreshments will be served by the October committee, including Mrs. Fred Rickel, Mrs. Earl Wenger, Miss Hazel Miller, Miss Elizabeth Wright, Clifford Jellison, Charles Reed, Darwin Brest and Herbert Hall.

Billy Paulin Named Freshmen Officer

Bill Paulin, an Upland student at Chaffey junior college, was elected vice-president of the freshman class at the election last Wednesday. At this time Douglass Anderson was elected athletic manager for the group. Other officers included Dick Gardiner, presdent; Mary Davenport, secretary; Herschel Griffin, treasurer, and Ellen Shepherd, social chairman.

Elections to the Chaffey junior college service clubs, the Panther Women and the Chaffey Blacks, resulted in the election of Sallie Ford to the Panther Women's organization, and Merton Hill, Leonard Mather and William Bailey to the Chaffey Blacks.

50 Years Ago Wedding Occurred

* * * *

Atwoods Are Celebrating Occasion

Fifty years ago today Mr. and Mrs. J. J. Atwood, a young bridegroom and his winsome bride, celebrated their marriage in Tingley, Iowa, and facing the future together with hearts filled with faith and happiness, they established their new home among their relatives and friends.

And during those 50 years, although their happiness has at times been replaced by sorrow and they have had their worries as well as their joys, their faith in the Divine Wisdom that guides their lives has never diminished.

Down through those years they have followed, side by side, in love and harmony, the path that has led to their happy golden wedding day.

For several years Mr. and Mrs. Atwood lived in Tingley, until the latter part of the year of 1897, when they came to California, stopping for a few months in Los Angeles.

Early in 1898 they came, with their family, to Upland, then North Ontario, and established their home here.

For 12 years Mr. Atwood was a partner in the Atwood-Blakeslee Lumber Co. In 1913 he purchased the E. A. Bowen dry goods store, his partners being W. C. Reynolds and L. N. Kirk. Later he purchased the interests of his partners and the business became and still is the J. J. Atwood Co. For a number of years Mr. Atwood has been manager of the Ontario Cemetery association.

Affiliating with the Upland Methodist church when they first settled here, both Mr. and Mrs. Atwood were active in the work of the church until their change of residence four years ago.

Mrs. Atwood was a beloved member of the women's organizations of the church and of the Woman's Christian Temperance Union, always giving generous support to their activities.

About four years ago Mrs. Atwood's health necessitated their moving to Newport Beach, where they now reside. However, they often return to Upland where their many friends are happy to greet them.

Planned by their five sons and daughters-in-law, the golden wedding celebration is being held this afternoon and evening. With scores of friends attending, open house was held this afternoon in the parlors of the Methodist church and tonight there will be a wedding dinner for the family and relatives in the Upland Inn.

Sons of the couple are Owen E., Eldon C., Glenn M., Floyde L. and Warren Atwood, all living in Upland, with the exception of Warren, who resides in San Bernardino.

DR. WENGER IS BUILDING HOUSE

New Residence Going Up On Second Avenue for Uplanders

A new residence for Dr. and Mrs. Earl L. Wenger will be built on Second avenue, a short distance above Eleventh street, with Alvin Gish the contractor, it was announced today, with the issuance of a city building permit.

Of stucco finish, the residence will be attractive in design and in keeping with the other houses which have been built in that block in recent years. Plans call for two bedrooms, a large living room and other features that will give the family a spacious house.

Work is underway on the structure. It is the second house to be started here within two weeks.

Dr. Wenger is among the newer professional men in Upland, he maintaining dental offices at 463 Second avenue. On completion of the new home, Dr. and Mrs. Wenger and son will move there from where they are now living at Campus avenue and Arrow highway.

Scout Benefit To Provide Program, Uniforms For Boys

While it will be a very entertaining program for those in the Chaffey High school auditorium next Friday night, the proceeds of the event will bring more lasting pleasure to many Boy Scouts of the district.

Stewart Hamlin heads the list of entertainers on the Boy Scout benefit program. All net proceeds will go to a fund to aid the boys who are financially unable to obtain Scout uniforms and to pay the cost of attending a summer camp.

Many individuals and organizations throughout the Chaffey district are buying tickets for the program and wide support to the cause is expected to result in a large attendance and in a large fund for the Scouts.

Townsend Meeting Recreation Center Sunday Afternoon

A mass meeting of Townsend club members and friends will be held Sunday afternoon at the recreation center on Third avenue for the purpose of hearing a broadcast of the addresses made at the final session of the national Townsend convention being held in Chicago.

The broadcast will occur at 1 p. m. and those attending are requested to meet at 12:30. This will be one of thousands of similar meetings being held at the same hour throughout the United States.

SUNDAY IS SICK BABY FUND DAY

Mrs. Johnson Tells of Great Assistance Given By Hospital Fund

As an indication of the inestimable value of the assistance given by the sick baby fund maintained by the Woman's Auxiliary of the San Antonio Community hospital, Mrs. Earl H. Johnson, chairman of the fund, who is now directing a campaign for contributions to the fund, stated today that during the 10 years of its operation the fund has been used to provide care for about 110 babies.

Of that number, according to an estimate made at the hospital, approximately 90 per cent of the babies were saved. Without the aid of the fund, the proper hospitalization could not have been provided for those sick babies who were restored to health, nor for the little ones whose sufferings were eased until death released them.

Mrs. Johnson also stated that of the money used this year for sick babies, approximately one third had been considered by the parents as loans and has been repaid. This fact, alone, is held to be ample proof of the appreciation felt by those who receive the aid in times of stress. Others who have received aid for their sick children and have been unable to repay, are equally as appreciative of the help received.

One father, whose child was given hospitalization, has appeared at the hospital and left one dollar regularly each week for 52 weeks.

Sunday is to be sick baby fund day and all the pastors will make special mention of that fact during the church service. Girls will be prepared to receive donations at the church doors.

FLETCHER MANKER CALLED TO MALIBU

Local Fire Fighting Officer Takes CCC Men To Fight Fire

The series of fires in the Los Angeles district of the Angelus forest has meant hard work for F. H. Manker of Upland. Mr. Manker is fire prevention and suppression instructor for the Alta Loma CCC camp and he and 100 men from the camp were called to Altadena Tuesday night to fight the fire in that area. When that blaze was controlled, about 25 of the men were returned to Alta Loma, while the others were taken by Mr. Manker to the Malibu district to fight the fires raging in the hills there.

Mr. Manker has been director fire suppression for the local CCC camps since their establishment in the foothills.

WATER SPREAD IN S. A. CANYON COSTS $300,000

R. V. Ward Handles Big Project for Pomona Protective Association

ANNUAL MEETING HELD

Diversion Dam Work Reported As Summary Given for Year's Outlay

Sum of approximately $300,000 was expended during the year in further developing the water spreading grounds and flood control projects in San Antonio canyon under the sponsorship of the Pomona Valley Protective association, it was revealed today in the figures for the season just closed.

The figure given does not include cost of other work done in the foothills outside of the area served by the Pomona association.

A total of $220,698 was expended for the association under the supervision of Royal V. Ward, flood control engineer. Sources of this money were public agencies such as the SERA, San Bernardino county flood control fund, Pomona Valley Protective association and other interested water companies. In addition to the foregoing, CCC youths did work estimated to be worth more than $88,000.

As the result of the spreading grounds functioning, water levels throughout the district are reported to be higher. Into the spreading ground gravels during the season 7042 acre feet of water was spread on the San Antonio cone grounds and 102 acre feet on the Thompson creek grounds. In wells near the spreading grounds the water level is reported to be 100 feet higher than last year.

Poets Club Begins Practical Projects

The recently organized Poets club held an interesting meeting in the junior department of the Upland library Tuesday evening.

A very comprehensive and instructive talk was made by Mrs. Elmer J. France on markets. It was decided to establish a circulating library of writers magazines and poetry magazines, each member bringing what he has and being allowed to take one out at each meeting. Mrs. Florence Foster of Alta Loma was elected librarian with John Kellenberger of Ontario as assistant librarian.

A committee to report contests sponsored by reputable magazines or concerns was also appointed, Don Towler being chairman and Mrs. Anne Towler assistant. They will look up poetry contests and report them at each meeting.

The next meeting will be held on Tuesday, Nov. 5, in the basement of the Upland library, at 7:30 p. m. All poets either amateur or professional are cordially invited to attend.

Eugene Wilson is showing slight improvement in his condition at the San Antonio Community hospital, where he was taken several days ago for medical attention.

City Gets Response In Appeal Sent To Eastern Residents

Upland is getting definite inquiries about the city from people who have seen the advertisng booklet issued by the Desert-Mountain-Valley club, Avery S. Allen, secretary of the Upland chamber of commerce, said today.

He had in mind several letters from an eastern resident, who several months ago asked about the city. Mr. Allen described Upland in a letter to him and this reply was followed by another inquiry asking the chamber to obtain a house for them. The requirements and other conditions stated in the easterner's letter could not be satisfied here and Mr. Allen so advised the prospective resident.

"Just as soon as the All Year club advertising program starts the county club is going to be ready for a big season," Mr. Allen said.

The All Year club advertising in eastern papers and magazines will carry a coupon listing names of various counties. When this county is checked by an interested person, the coupon is sent by the All Year club to the county club, with a booklet going to the interested person. The booklet contains a page from Upland and if a person shows any special interest in Upland, the local chamber gets busy.

Purpose of the Desert-Mountain-Valley club is to stimulate interest in easterners in coming to the county on vacations.

HALLOWE'EN WILL BE QUIET HERE

That Is, Police Will See That Property Isn't Damaged On Thursday

Judging by the past, Hallowe'en wont mean much this year to Upland police. Nevertheless, the local officers are going to be ready to stop any pranks that might result in property loss.

Police records of "the last night of October" in past years reveal very little out of the ordinary here.

This is announced so that people in the Upland district may feel free to leave their homes and on returning find that their house hasn't been moved or their furniture taken out.

Officers, however, can't guarantee that a few door bells won't be rung or that a few terrifying creatures with masks won't make their appearance. All that is part of the celebration of the coming of Oct. 31. Police will be present here and there about the city to see that some celebrators don't go to far.

Mrs. Pearl Dweak, Mrs. T. A. Evans, Mrs. J. D. Palmer and Mrs. Sadie Benner, president of Mary Brainard Tent, Daughters of Union Veterans, motored to Pomona Wednesday and attended the afternoon inspection meeting of the Pomona tent and were guests at the chicken dinner that preceded the meeting.

New Citrus Outlook Encouraging

* * * *

1936 Prices Higher Is Prediction

Upland citrus fruit is likely to bring better prices on the 1936 markets than the 1935 prices.

Paul S. Armstrong, general manager of the California Fruit Growers Exchange, has returned with an optimistic view from the annual conference with the Exchange sales force of the United States and Canada.

"Business prospects are not uniformly good but in general promise to be better than in 1935," he said.

"I believe our sales organization performed well this season and is in position to continue to do so," the official continued. He considers the citrus industry fortunate in having established consumer demand through years of educational advertising, especially valuable now when the housewife must carefully pick and choose food expenditures. Demand for citrus has been much better maintained than it has for most varieties of fruit. Sunkist advertising was conspicuously apparent in all markets visited, he said, store displays being especially plentiful.

It is generally agreed that canned grapefruit has taken the edge off the grapefruit market. "A Florida committee with whom I met in Washington say cannery grapefruit was sold too cheap and has hurt the fresh fruit market," Armstrong said. "These gentlemen are also convinced that heavy boat shpments to Atlantic coast markets hurt prices elsewhere."

The Florida group were in Washington for discussion of a new agreement under the AAA, he stated.

It is the consensus of opinion of Exchange salesmen and the trade that repeal has helped lemons and oranges slightly, not taking into consideration the buying power that has been diverted to liquor purchases, according to Mr. Armstrong.

900 GET CHECKS FROM SERA TODAY AS NUMBER DROPS

More Work on WPA Projects Soon Expected to Further Decrease Total

1500 IS FORMER NUMBER

Many Wait for Money at Ontario SERA Office—Grapes Keep Many Busy

Nine hundred checks were issued today to people on the SERA rolls in the Upland-Ontario district—and if WPA becomes more active the number of checks "given" to the people will be decreased.

Officials at the Ontario SERA office reported this afternoon on the number getting the checks and pointed out that the 900 total today compares with the 1500 total of several weeks ago. Grape harvest employed several hundred of the persons on the SERA roll. Picking nears an end, however, and the grape workers will be either returned to the SERA rolls or placed on WPA jobs.

It was pointed out that one WPA job in Upland has been given the final approval and the money appropriated, but that nothing is being done on the project due to inability of getting enough men. The spokesman at the Ontario office explained that "perhaps the right kind of men were not available." It was pointed out that it is the responsibility of the WPA to put men to work. The SERA organization certifies to the need of assistance for those on the SERA.

The Ontario office is the center for most of the detailed work in handling the SERA in the West End. Friday is pay day and it was a long line of men and women who waited today to get their weekly check from the government. The line was many yards long this morning and at 1:30 o'clock this afternoon there were still many in line.

The Upland office handles the checks for men in this district.

Jean Mehl Wins In Vaudeville Contest

Jean Mehl, Chaffey high school, submitted the winning name for the winter extravaganza which is to be given by the students at Chaffey this December. The name was "Collegiate Cruise." Approximately 100 names were suggested.

Plans for the continuity are progressing rapidly. In order that the student vaudeville acts may be more closely interwoven, a dramtic plot is being written for which principal characters will be chosen.

Firemen Called To Save Gravel Truck

When Upland firemen were called to Mountain avenue and Nineteenth street shortly before noon today, they found a large motor truck in flames. The cab was burned off and the entire truck was badly damaged. The cause of the fire is not known.

100 CARS GRAPES DAMAGED BY WIND

Shipments Formerly Planned Are Cancelled Due To Damage

Shipments of at least 100 cars of grapes from the Cucamonga district had been planned—prior to the devastating wind storm of Wednesday.

A report today, however, was to the effect that plans had been dropped to ship the grapes due to the damage by wind. The report came from the federal-state inspector who is in touch with all grapes shipped out of the district. On the basis of his inspection of the vineyards after the storm, it was his decision there were not enough grapes left to warrant shipping to eastern markets.

Horticultural inspectors in Upland this afternoon for the weekly session, had not made a thorough enough inspection of the damage to make any statement concerning the loss.

Stolen Motor Found In Pawn Store But Cops Can't Get It

The five horse power motor that was recently reported stolen from the Stewart Citrus association property on Foothill boulevard west of Mountain avenue, has been found in Los Angeles. It was purchased for $17 by a pawn broker, who refuses to give up the motor until he is paid the money.

This is the second time the motor has been "hocked" by a thief. Previously the motor was stolen and sold by the thief to a Long Beach concern. The local association paid at that time to get it back. Having to pay for the motor again isn't the desire of the association. Whether the association will finally pay to get it back or take the matter to court hasn't been determined yet. About ten days ago it was discovered the motor had been stolen. A bulletin was sent by the Upland police department to Los Angeles and authorities there located the motor. A bill of sale was given to the pawn broker. The bill of sale is reported to be fictitious and it is believed "James Dunn" was used as an "alias" by the thief.

The pawn broker has emphatically told Upland police that he won't give up the motor until he is paid $17.

PHONE BUILDINGS GO TO CAMPBELL

Construction Company in Ontario Wins Contract For New Structures

Campbell Construction Co. of Ontario was given the contract today to erect the two new buildings for the Associated Telephone Co. It is expected work on the new buildings will be started within a short time.

Bids were received from five firms on Wednesday and a representative of the Campbell company was called to Long Beach this morning to sign the contract and complete arrangements pending start of work.

Teachers Support Local Chamber Of Commerce, Report

That the teachers in the Upland schools are civic minded is shown in the announcement made today by Avery S. Allen, secretary of the chamber of commerce, that 26 members of the four faculties have taken membership in the chamber of commerce.

The teachers in the junior high school lead with a 100 per cent record, Mr. Allen stated, every member of the faculty having joined the civic organization.

Trio Held on Theft Of Cattle Facing High Court Trial

Three men charged with the theft of 12 head of cattle will hear their fate in the San Bernardino superior court as result of progress of the case this week. Among the three is John Mathis, who in 1927 was sentenced to San Quentin on his conviction of robbing an Upland service station. The other two are Dee Harris and Hubert Wilcox.

In the preliminary hearing in the Chino court this week, the trio were held for trial in the higher court.

Ronald Mathis, younger brother of the other Mathis, had been implicated in the charge, but he was released after the hearing when it was proved he did not participate in the alleged theft.

Forest Construction In Year Extensive

More than 100 miles of roads were constructed in the San Bernardino national forest during the year ending June 30, Robert E. Jones, acting supervisor, has reported.

Construction also included 126 miles of trails,

Members of the Women's Relief Corps will meet on Tuesday at the home of Mrs. Princess Long, Ontario. A Chaffey bus will be at the Ontario American Legion at 10:30 o'clock Tuesday morning to take the group to Mrs. Long's home, a potluck dinner will be served at noon.

WATER DISTRICT LINES GOING IN AS BIDS OPENED

25-Mile Line of Pipe Will Go Through District in Short Time

RESERVOIR WORK OPENS

Link in Colorado River Water Plan Will Go On Fifth Street, Ontario

Bids have been received by the Metropolitan Water district for laying of 25 miles of water pipe line from Fontana through this district to Glendora. Announcement of the contractor selected has not been made. Bids were received on 20 miles of concrete pipe and five miles of steel pipe.

Rights of way for the pipe line have been secured over most of the route of the line and actual work on the project is expected to be started by the end of November.

As the line comes west through the lower end of Cucamonga it will incline south to Fifth street, Ontario, and extend west to beyond Claremont and then veer north to Glendora, where a reservoir will be erected.

Work has already started in the construction of the Cajalco reservoir near Riverside. This reservoir will supply Colorado river water to the Fontana-Glendora line and other lines linking cities that are members of the district. This reservoir will be the first one in the gigantic water plan west of the Colorado river. Most of the tunneling work in constructing the aqueduct from the river to the reservoir has been completed.

Organ Recital To Be Given Monday As Fund Benefit

Presented as a benefit for the organ fund, the recital to be given Monday evening, Oct. 28, in the Upland Methodist church by Otto T. Hirschler, widely known concert organist of Los Angeles, is expected to draw a large attendance from this and neighboring communities, since it is seldom an organist of Mr. Hirschler's ability may be heard here.

No admission will be charged but a silver offering will be made for benefit of the organ fund.

For his program Mr. Hirschler will play: "Toccata in D Minor" (Bach); "Lyric Theme from Symphonie Pathetique" (Tschaikowsky), "Dawn" (Jenkins), "In Fairyland" (suite for organ) (Stoughton), including "The Enchanted Forest," "Idyl," and "March of the Gnomes."

"Pilgrims' Chorus" from Tannhauser" (Wagner-Liszt), "Intermezzo" (Callaerts), "Southern Fantasy" (Hawke) (introducing Swanee River, Old Kentucky Home, Old Black Joe, Dixie, and Maryland My Maryland).

Perpetuum Mobile (for pedals alone) (Middelschulte) and "Hymn of Glory" (to the American Legion) (Yon).

William Hodgkins Is Severely Burned At High School Rally

William Hodgkins, Jr., son of Mr. and Mrs. William Hodgkins of Monrovia, and relative of several Uplanders, was critically burned at a high school football rally last night. Details of the injury are not known here, but it is believed that he was participating in setting off a bonfire at the rally when flames engulfed him.

He is at the California Lutheran hospital, Los Angeles, where a specialist is giving him the best possible attention. Mrs. Hodgkins was known here as Olive Draper, sister of Fred E. Draper and Ella Draper.

Willis Williamson Gets First New Ford

Willis Williamson, son of Mr. and Mrs. H. C. Williamson, First avenue, is the first Uplander to drive a new Ford. The new car was the first one received at the Engel Motor Co. and the young Uplander got the car soon after its arrival here.

Many orders are being placed for the new car, according to the local dealer.

The Liquor Traffic

Some such regulation of the sale of alcoholic beverages in California as is proposed by Orfa Jean Shontz, local member of the state Board of Equalization, is likely to be ultimately provided. The existing situation obviously needs some modification. The people of California are not likely to endure for long the spectacle of liquor being dispensed whenever and wherever, everywhere and anywhere, an applicant for a license can secure enough funds to pay for it, says the San Bernardino Evening Telegram.

The longer this restriction is delayed the more drastic it is likely to be.

We learned through experience, when prohibition was in its closing years, that the farther the pendulum swung in one direction the farther it was certain to swing in the other. Dissatisfied with conditions under the Eighteenth Amendment—whether justly so or otherwise is not now germane—our people went to the other extreme when opportunity was given them to vote upon it.

The result was the condition which now exists.

There are numerous liquor dealers who see the danger and apparently are honestly seeking to handle their business with the minimum of indecency. These men have the foresight to realize, if public sentiment continues to be outraged as is now the case, there will be such drastic regulations as will restrict the number of licenses in a given political unit and drive many dealers out of business.

When this occurs the innocent are quite likely to suffer with, and quite as violently as, the guilty.

Californians will watch with some apprehension the progress of public sentiment towards more strict regulation. We have learned a great deal during the past decade. It has been impressed upon us that an effort to impose restrictions in a given community againsst the majority sentiment of that community merely invites lawbreaking.

The millions which once went into the hands of the bootleg syndicates are now being apportioned in such a fashion as diverts a proportion of it to the maintenance of government. The people wish this situation to continue so long as there is a liquor traffic.

Inasmuch as it seems certain the manufacture, sale and transportation of intoxicants will continue under any conditions, at least a portion of the revenue therefrom must go to government to help meet the expenses of providing police regulation and the like.

The War Is Over—For Who?

Sentiment in this country is almost unanimous at this time against the United States going to war. Sentiment for some time before the World war was about the same as now. But gradually there crept into the press of the country and through other sources propaganda purporting to be reasons why this country should get into the fight. Public opinion favorable to war was gradually molded—and we got into it. We put up our money and our men. And for what? No need to ask that question—for thousands upon thousands of America's best men were killed in a futile war that was to end war. Billions of dollars were spent on our own soldiers and loaned to other warring nations—and we got much less than nothing in return. It did not take long to realize to some extent the awfulness of war—so let's not get into another one.

The commander of the American Legion post at San Marino submitted the following editorial to the editor of the San Marino Tribune—and we pass it on to our readers as a splendid argument against war:

The War is over—
Is it over, Mother? No, your son was killed.
Is it over, little girl? No, your daddy was killed
Is it over, soldier? No, you lost a leg.
Is it over, laborer with the horny hands? No, you, and your children, and their children, and their children must lay out their hard-earned dollars in taxes to pay for it!

So why do we cheer?

Only the fighting is over. Hearts will go on aching. And men will walk on crutches. And laborers will work and work, and pay and pay—for years and years and years.

Let's not have another war.

Hysterical protests won't avert another war, any more than will "preparedness."

Civilization must build its own defense out of human reason and intelligence, properly organized and applied.

To every reasonable and intelligent man and woman in America goes the responsibility of doing his or her share to avert the coming war.

Let's not have another war.

Already this year—months before the usual time—a number of automobile manufacturers have brought out their new models for 1936. Many new cars are out on the road before the automobile shows get under way. True, there have been showings of various new lines, but the regular auto show time is not yet here. These bright, new, streamlined cars make one dizzy by their attractiveness and instill the desire in your heart to get a new bus—even though one may not be able to afford it. Perhaps motor car builders have learned that there is an advantage in bringing out the snappy new models before Christmas. There is no more progressive business in the country than the automobide industry. As in the depression of some years ago that industry is now a great factor in bringing the country out of the depths of hard times. They are spending money by the millions and millions and they are getting results—their optimism is spreading to other lines and every line of business is affected favorably.

We have always understood that the way for a fellow to become well off and lay up a "nest egg" for the proverbial rainy day was to spend less than his income. But according to the Roosevelt administration it should work differently with the nation—the country is expected to get rich by spending several billion dollars a year more than it takes in. That won't work any better with the country than it will with the individual—and the brain trusters are going to become the country's busters if they are not checked pretty soon.

"Remember, the world has had hard times before, and has always emerged," says Carrie Chatman Catt. Apparently Mrs. Catt has hopes that Roosevelt will not always be president.

One man's idea of the difference between a socialist and a specialist is: The socialist wants only half of what you have—the specialist wants all of it.

Galleon of Dreams

The prize to be given by Miss Connelly for the best poem appearing in this column during September and October is now on exhibition in the window of The Upland News.

What Price War?

Hear the clinking and the clanking
Of the steel upon the rock,
How the mighty earth is shaken
By the Shock! Shock! Shock!
Of the cavalry ariding,
Forth to war at break of day,
As they ride with flags aflying
Down the King's Highway.
Down the King's Highway,
At the break of day;
Oh their hopes are high and gallant,
And their hearts are brave and gay,
And the shining banners ripple
And the deep drums roll,
For the cavalry are riding on,
With glory as their goal.

Hear the crashing of the cannon
And the shrieking of the shell,
For the cavalry are riding
To the very gates of hell—
And their banners that were shining
In the sun at break of day—
Are dragging in the dust
Of the King's Highway.
Of the King's Highway,
At the close of day.
Oh the men are lying bleeding,
And the scattered horses stray,
And the sirens scream, and stretchers
Take the wounded and the dead,
And some are torn by bursting bombs,
And some are filled with lead.

Hear the clicking of the needles
In the still white room,
They are knitting, knitting, knitting,
Wrecks of men who rode to doom.
They are legless, they are faceless,
But they rode at dawn of day,
With their shining banners flying,
Down the King's Highway.
A dozen years away,
They rode at break of day;
A dozen years they've lain within
A white hospital wall
And clicked their knitting needles,
And wound a woolen ball.
What was there to gain for them,
Who rode that day so well?
Nothing but the knowledge sure,
That every war is hell.

—Viola Perry Wanger

Lost Rapture

Poor stem that was a rose, do you remember,
Your petals that went drifting at the dawn,
Upon the wings of winds that came to woo you,
Till all your beauty and delight were gone?

Do you remember nights of moonlight madness,
And songs of nightingales from swaying trees,
And jeweled stars from silver pool reflected?
. . . I, too, remember these.

—Modern Priscilla

Ethiopia, Ethiopia

God of our Fathers, come Thou here;
Protect us, Lord, from the scourge that's near.
Shall we make battle and kill . . . and slay?
What is the meaning of it, we pray.

Why should our children wring their hands
And cry out in fear, while these unknown bands,
Warring like demons, come in their might
And put us to death in the dark of night?

God, are You there? Can you hear what we say?
Come to our rescue, if just for a day.

—M Schaffer Connelly, 207 East 4th St., Ontario, California

Thru the air flew a bit of blue,
Bright as the sea on a cold, cold day,
Deep as the sky—when it came through,
Heav'n's artist painted it on the way.
Whenever you see this bird of blue,
A bit of luck is coming to you.

—Florence Justema Foster.

Items Taken From The News Files of 14 Years Ago, 1921

Mr. and Mrs. M. H. Drummond of Honolulu, who have been guests for several weeks of Mrs. Drummond's sisters, Mesdames H. C. Moore, Reid B. Bordwell, H. O. Blohm and J. L. Grahame, are visiting briefly in Pasadena before going on to San Francisco to sail for Hawaii.

The Misses Esther and Clara Leaman and their friends, Charles Foster and Duane Ammerman of Riverside motored to Pasadena on Sunday and were guests of Mrs. Arthur Goodwin, sister of the Misses Leaman.

Major and Mrs. J. F. Hamilton, Miss Dorothy Hamilton, Mr. and Mrs. A. J. Handley and Mr. and Mrs. Harry S. Fies, motored to Indio Saturday and attended the date festival.

H. C. Kennedy received a telegram yesterday from Mrs. Kennedy in Taft, announcing the arrival of a wee daughter, Ruth, at the home of their son-in-law and daughter, Mr. and Mrs. Erbie Knick.

Mrs. James Loch and her son, William, who have been visiting relatives in Nebraska, Missouri and Texas for the past three months, have returned to their home on West Sixteenth street.

The group of 23 men who are building the tabernacle for the John Brown revival meetings, enjoyed a fine dinner yesterday prepared by members of the Methodist, Presbyterian and Mennonite churches. Mrs. Charles Dinger, Mrs. Kent W. Fuller and Mrs. J. C. Mehl were chairmen of the dinner committees.

C. L. Holmes arrived Saturday from Galesburg, Ill., to join Mrs. Holmes and family, who motored here a few weeks ago. They have taken a house on West Seventh street and will spend the winter here.

Oliver Krebill and Captain Nafius are home again from their work in Glendora, but they came home short of $185 as well as clothing and watches, that a thief stole from their rooms.

William Beard, 16 -year-old son of Mrs. Leslie Strawn, was painfully injured yesterday when struck down by a Union Oil truck. William's presence of mind probably saved him from more serious injury. As he went down he caught hold of a spring on the truck and clung to it until the truck stopped, thus escaping being run over.

Mr. and Mrs. Miles Harnly were hosts yesterday at a birthday dinner given at their home on Tenth street in honor of Mrs. Harnly's father, Mr. Thomas of Nebraska, who is visiting here. He is 81 years old.

Mr. and Mrs. W. F. Kitchel are enjoying a motor trip to San Francisco and other northern points. Enroute home next week they will visit with relatives in Modesto.

Dr. and Mrs. J. W. Shearer, who motored here ffrom Abilene, Kan., recently, to visit their cousins, Mr. and Mrs. W. W. Phipps on West Eighth street, have located in Ontario and Dr. Shearer has opened offices there.

Miss Florence Tarleton, member of the grammar school faculty, is entertaining her brother and sister-in-law, Major and Mrs. L. Tarleton of Camp Lewis, Wash.

Mrs. Lucy Gaines, member of the faculty of the Southern Branch, University of California at Los Angeles, addressed members of the Reading Circle Wednesday afternoon, her topic being "Current Events."

Hit and Miss

A husband and wife sat at the breakfast table one bright morning when suddenly the man in the case found a hair in his biscuit.

"My dear," he said, "here is one of your hairs in my biscuit."

She looked at it for a moment. "No, darling," she said, "it looks exactly like one of yours. It must have come off the rolling pin."

10 Years Ago News Of Upland as Seen In The News Files

Announcement was made today that under the direction of Lex Lucas, Boy Scout leader for the Chaffey district, the Y. M. C. A. building on Third avenue is being reconditioned in preparation for an extensive athletic program that will be staged there this winter. Showers are being built and equipment for baseball, volley ball and basketball has been secured.

A boat, five feet seven inches long and an exact replica of a full size boat, is on display in the window of V. H. Wilson's Toggery. The boat was carved from a single piece of wood and was made by hand on the island of Paco in the Malaysia group. It was brought to Upland by W. S. Hatton, a sailor in the U. S. navy, who purchased it from an Australian for a cake of soap.

Mrs. W. P. Anderson and her sister, Mrs. Jennie Zimmerman, of East Tenth street, went to Pasadena Wednesday and attended a meeting of the Philomath club, of which they are members.

Miss Vera MacLaren, who is teaching in the San Diego high school, spent the week-end with her mother, Mrs. A. E. MacLaren.

Mr. and Mrs. Fred Anderson and daughter, Betty; Mrs. Speck and Miss Pauline Stevens motored to Yucaipa Sunday and attended the apple festival.

Miss Janet Bryan visited friends in Los Angeles Sunday and enjoyed Little Annie Kelly, now showing at the Playhouse.

Mr. and Mrs. Bain Leak (Laura Norton) of Oakland, are guests of Mrs. Leak's aunt, Mrs. Maude Mathison, 526 East Ninth street.

Miss Vila Graves and Miss Hazel Allexan of Chicago are guests of Mr. and Mrs. George L. Winter at their home on Ninth street.

Mr. and Mrs. J. F. Haddow and their son-in-law and daughter, Mr. and Mrs. Jack Herron, have returned from a four months motor trip through 15 states. They visited a number of relatives and friends while away.

Mr. and Mrs. P. H. McQuillen and Mr. and Mrs. Tracy Morris motored to Los Angeles last evening and attended the banquet given by the Southern California Retail Druggists association.

Mr. and Mrs. A. C. Landis have as their guest John Landis of Lucerne, Okla., who has arrived for a prolonged visit with his brother.

Mrs. L. R. Nichols of the Upland Art shop, spent Thursday with her daughter, Mrs. C. C. Hamilton, in Alta Loma, visiting her new grandson, who arrived on Oct. 19.

The Upland Plumbing Co. is the name of a new business to be launched here next week by Howard M. Roberds and Geo. J. Krehbiel. The business will be located at 223 First avenue, next door to the Taylor barber shop.

In memory of her husband, the late Samuel Baldwin, Mrs. Mary Baldwin of San Antonio Heights has presented Bethany Union church with a furnace.

In celebration of their fortieth wedding anniversary, Mr. and Mrs. J. J. Atwood were delightfully surprised Sunday at their home on Laurel avenue when friends and relatives from far and near arrived to help observe the day.

Mr. and Mrs. Torrens Pratt have traded their citrus grove on West Fourth street for Los Angeles property and have moved into the house on Fourth street recently occupied by Mr. and Mrs. A. H. Pike.

Ernest Fuller and J. Oliver, employes of the Upland Lemon Growers' Assn., have returned from Susanville, where they had gone to visit the shook mill.

Mr. and Mrs. B. F. Engle returned Wednesday from a several weeks visit with relatives in Kansas, Pennsylvania and Canada.

Miss Lillian Witta and Miss Meda Hildebrand arrived today from York, Pa., and will make their home here.

What He Found

"Archimedes," read the schoolboy, aloud, "leaped from his bath shouting, 'Eureka Eureka!"

"One moment," interrupted the teacher. "What is the meaning of 'Eureka'?"

"Eureka means 'I have found it'," said the boy.

"Very well. What had Archimedes found?"

"The soap, sir!"—West London Observer.

Elisabeth Rethberg Opens Artist Course

Elisabeth Rethberg, noted soprano of the Metropolitan Opera company, will open a brilliant season of concerts at Bridges auditorium, Claremont, tonight.

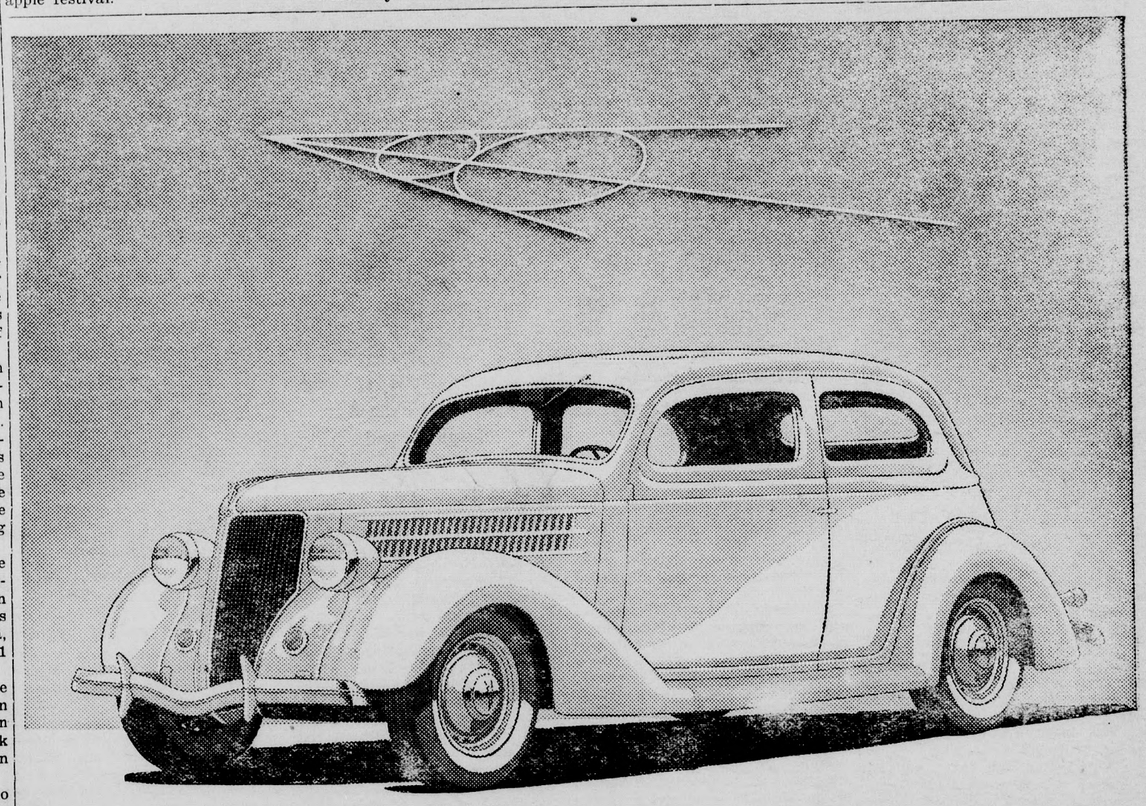

This is the first appearance of Rethberg in Southern California and has been made possible by her selection for several of the leading roles with the San Francisco Opera company. Rethberg comes from a family of musicians and has devoted her entire life to music. Her natural endowments as a singer revealed themselves conclusively when she made her debut at the age of 19 at the Dresden Opera and later at the Imperial Opera in Vienna. After concertizing throughout Germany, Austria, and Scandinavia, she came to America and each season is in constant demand in opera and concert. In addition to her 106 operatic roles she is declared to have a repertoire of upward of a thousand songs out of which her program in Claremont will be selected.

Man Motorist (barely avoiding broadside crash): "Why on earth didn't you signal?"

Girl (who has crossed into her home driveway): "I always turn in here, stupid."

Rufus—Don't you-all know its wrong ter believe in ghosts?

Goofus—Ah don't believe in 'em. Ah wouldn't trus' a ghost as far as ah could see him.

THE NEW FORD V-8 FOR 1936

Why do we say The *New* Ford V-8 for 1936?

What is *new* about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car buyers (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—Steering is made easier by a new steering gear ratio. The cooling system circulates 5½ gallons of water through a new, larger radiator. Natural thermo-syphon action is assisted by two centrifugal water pumps. New style hood louvres permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

LOW FORD V-8 PRICES

THIRTEEN BODY TYPES—Coupe (5 windows), $510. Tudor Sedan, $520. Fordor Sedan, $580. DE LUXE—Roadster (with rumble seat), $560. Coupe (3 windows), $570. Coupe (5 windows), $555. Phaeton, $590. Tudor Sedan, $565. Cabriolet (with rumble seat), $625. Fordor Sedan, $625. Tudor Touring Sedan (with built-in trunk), $590. Fordor Touring Sedan (with built-in trunk), $650. Convertible Sedan, $760.

F. O. B. Detroit. Standard accessory group, including bumpers and spare tire, extra. All Ford V-8 body types have Safety Glass throughout at no additional cost. Economical terms through Universal Credit Company.

MEXICAN HIGHWAY NEARS COMPLETION

Robert Schaeffer Tells Lions Of Trip to Mexico City By Motor

Mexico will be the new vacation land if progress continues in road building at the present rate of construction, Robert Schaeffer, Ontario, predicted in talking to members of the Upland Lions club in the Red Hill Country club house yesterday noon.

With Mrs. Schaeffer, the speaker went by motor to Mexico City to attend the International Lions club convention. He told interestingly of his experiences in crossing rivers on small ferries, of being able to find drinking water and other accommodations only at very few of the cities, and of his general impressions of the southern republic.

From Laredo, Texas, to Mexico City, the distance is 760 miles. By next year, Mr. Schaeffer predicted, motorists—if they cared to drive that fast—could make the trip in one day. The speaker said the greatest concern and danger on the trip was the task of crossing by ferries one river once and another river twice. Work is rapidly progressing on the Pacific international highway and the route will be eventually almost as good as are the Southern California highways, he said.

Norman S. Lawson was program chairman, with President Clyde DuVall in charge. Hubert "Cue" Manker, a former Uplander, and now a Lion at Santa Ana, was present.

Republican Women Go To Convention Held in San Diego

Dr. Lillian F. Baxter, president of the West End Republican Women's Study club, left Thursday for San Diego to attend the Southern district convention of the Republican Women's Federation of California, which is being held in that city today and Saturday.

Dr. Baxter was accompanied by Mrs. Marian Blair of Pasadena and they will remain through the convention. The Republican women of San Diego will be hostesses at a luncheon and a garden party during the conclave, and outstanding speakers are scheduled for the regular sessions.

Mrs. E. S. Bishop of Cucamonga and Mrs. B. H. Wilson of Alta Loma, also members of the West End club, motored down this morning for today's sessions.

Printing that pleases at the Upland News. tf

Today's Big News Is In Classifieds As Many Advertise

Many people will read today's classified advertisements in The Upland News before they read the front page news.

Uplanders have learned by experience that the classified columns have much news when it comes to telling where they can rent a house, buy property, get used and new household appliances and satisfy many wants.

Business firms and individuals have also learned by experience that they can profitably advertise in the classifieds. More than 40 individual advertisements were in Friday's list of classifieds—many of them from persons and firms who had formerly advertised and had gotten big results.

LAST MAN'S CLUB MEETS AT DINNER

Podrasnik Home Is Scene of Annual Meeting of Union Veterans

Annual meeting of the Last Man club, a group of Union veterans of the Civil War organized in 1930 by Alois Podrasnik, commander of Ontario post, Grand Army of the Republic, was held Wednesday at Mr. Podrasnik's home, Villa Alois, on San Antonio Heights.

Of the 12 original members, only three remain, they being Mr. Podrasnik, who was 90 years old on Oct. 7; E. M. Rankin of Ontario, 94, and David Ballinger of Pomona, 91. Others attending the dinner were Mrs. Ballinger, Albert Shank, 94; Charles Ross, 93, and J. B. Baugh, 92, all of Pomona; F. E. O'Brien of Upland, a members of the Sons of Veterans camp and acting chaplain for the G. A. R. post; Mr. and Mrs. Joe N. Podrasnik of Sanbornville, N. H., son and daughter-in-law of Mr. Podrasnik, and Miss Theresa Schiess, sister-in-law of the host.

During the afternoon the veterans talked of former days and exchanged reminiscences of the Civil War period, the dinner and the afternoon visit being greatly enjoyed by everyone.

Grandpa—In my day, my dear, young ladies knew how to blush.

Modern Maid—Really? Do tell me what you told them.

DAMAGE BY WIND HERE IS SLIGHT

Citrus Growers Escape Loss As Wind Hits Area—Fire Reported

Uplanders experienced only inconvenience in the wind storm that in many districts resulted in huge losses on Wednesday.

Citrus fruit in this district is very slightly damaged, if at all, J. Fred Anderson, horticultural agent, said today. At first he declared there was no damage, but he followed this with a statement qualifying that "if there is any loss it is so small it is hardly noticeable now."

Citrus groves in the Alta Loma-Cucamonga district suffered a little more damage than did Upland growers and in the district extending east of here the loss is reported to be greater.

Fire, which resulted indirectly from the high wind of early Wednesday morning, destroyed the Piedmont school building, a large barn and 14 head of mules in the barn. The barn and animals were the property of the Italian Vineyard Co. The fire started in the school house from an unknown origin and sparks from the flames carried to the barn. Fire had been burning Tuesday in a stove in the school building and it is believed that the wind fanned sparks from the stove. The total loss is estimated at $50,000.

Broken branches from trees formed the only evidence of a terrific wind storm in this district. A shade tree here and there about Upland was blown down, but the total loss is reported to be very slight.

King To Quite As Deputy For County

James L. King, chief deputy district attorney, and known to many Upland American Legion members as president of the county Legion council, will leave the district attorney's office Jan. 1 to become counsel for the San Bernardino Valley Water Conservation district, and to enter private practice.

Theaters, Programs For Week In Valley Given Review Here

Joan Crawford In New Feature at Fox—

Joan Crawford opens in her latest picture, "I Live My Life," at the Fox Pomona theatre on Sunday. Supporting her are Brian Aherne, Frank Morgan, Aline MacMahon and Eric Blore. When previewed at the Fox theatre some time ago under the working title of "Glitter" this show received hearty commendation from patrons who were fortunate in being at the theatre.

As the preview feature on this program, which closes Wednesday, "The Bishop Misbehaves," that hilarious New York stage hit, will be shown, with Edmund Gwenn and Maureen O'Sullivan.

Exciting Drama and Dancers In Upland Bill

"Atlantic Adventure," an exciting drama which concerns itself with a fast talking reporter's attempts to solve a half million dollar jewel robbery in mid-Atlantic, is scheduled to open Friday at the Upland theatre. Nancy Carroll is seen in the leading role, and prominent among the featured players is Harry Langdon, who enacts his first feature full-length role in more than a year, in the film.

Packed with action, and sprinkled with comedy, "Smart Girl," the other feature, stars Ida Lupino, and Pinky (The Object of My Affections) Tomlin.

Fred Astaire and Ginger Rogers come to the Upland screen for three days starting Sunday, in their fourth musical romance, "Top Hat," which features a score of lyrics and melodies by Irving Berlin, and the new sensational ballroom dance, the "Piccolino." Spencer Tracy and Virginia Bruce star in the supporting feature, which although titled "The Murder Mai," is an interesting and fast moving mystery comedy of the newspaper reporter type.

May Robson in Stage Play At Belasco Theatre

It will be welcome news to the multitude of amusement seekers who have come to love May Robson to learn that this grand actress is returning to the legitimate stage—her first appearance in the theatre in five years. During this period she has made an enviable name for herself on the screen. And now she comes back to the field of her half-century of triumphs in a play, "Kind Lady," which proved one of the ranking successes of last season in New York. Miss Robson opened in the Belasco theatre in Los Angeles Monday.

In summarizing the remarkable career of May Robson it is necessary to go back more than 50 years. She made her first professional appearance in 1883 and until the past five years, there never has been a season since that has not found her trouping. She delayed her return to the theatre until she could find the sort of vehicle she desired. She appears as an elderly spinster who by allowing her heart to govern her head becomes involved with a band of polite scoundrels and finds herself in no end of difficulties. It is a perfect Robson role and the play itself unfolds many moments of suspense. Miss Robson is surrounded with a particularly fine cast.

Highhat: "My family can trace its ancestry back to William the Conqueror."

Skullcap: "Next you'll be telling me that they came over with Columbus!"

ONE MILLION HOMES NEED "DAY AND NIGHT"

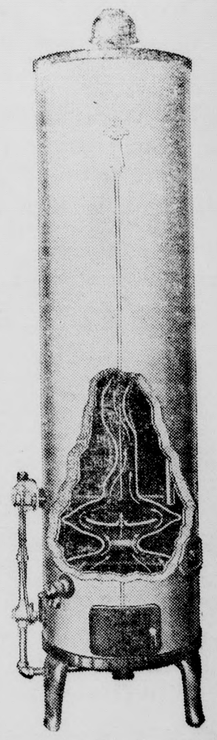

Startling Offer Presents New Opportunity to Home Owners

One million homes in California can replace their old wasteful heaters and let a new Day and Night water heater pay for itself by cutting gas bills 33⅓%.

Day and Night patented HEAT TRAP has made this tremendous saving of gas possible by getting 33⅓% more heat from the same amount of gas. Now you can own a genuine Day and Night without any down payment whatsoever and the small monthly payments are made a part of your regular gas bill. Never before (and for a limited time only) has this offer been made. It is imperative that anyone with an old heater call his Day and Night dealer (listed in this column) and secure a new Day and Night which will pay for itself by its savings in gas bills.

Day and Nights have been manufactured in Southern California for 26 years. No expense in engineering or production has been spared to make Day and Night "America's finest line of water heaters." Six exclusive patented features make Day and Night heaters the greatest contribution to water heating engineering since the development of automatic heaters. Enjoy the luxury of an abundance of clean, pure hot water during these winter months. Day and Night will supply you with all the hot water you need and pay for itself in gas savings. Remember, for the balance of October only, no down payment and only a few dollars a month, payable with your regular gas bill.

See your dealer today and save money every single month.

Save Money with a tank of Non-Rust Everdur. For the best and most economical service we recommend heaters with storage tanks of welded Everdur Metal. It is a copper-silicon alloy, it cannot rust, has the strength of steel

Library Club Plans Meeting in New Library

Inspection of the new Chaffey Memorial library will be the special feature of the meeting of the San Antonio Library club to be held in the library Saturday morning, beginning at 9:30, it was announced today by the club secretary, Mrs. Melvin Hocker, of the Upland library.

Miss Sarah Jacobus, of the Pomona library, is president of the club and will preside during the meeting, with President Gardiner W. Spring of Chaffey junior college, greeting the visiting librarians.

Following the tour of the new library, luncheon will be served in the Chaffey campus kitchen.

Mrs. Hawkins Returns From Delightful Eastern Visit

After spending four months in the middle west and east, visiting with numerous friends and relatives, Mrs. A. M. Hawkins has returned to her home, 415 West Thirteenth street.

Leaving early in the summer, Mrs. Hawkins visited first in Sioux City, Iowa, her former home, where her sister and two brothers live.

Several weeks ago she continued her journey eastward, going to Boston, where for a week she was the guest of relatives of her father. She also was the guest of friends in Pittsfield and Worcester, Mass., and in Becket, Mass., she had the privilege of visiting her mother's childhood home. She walked through the yard with its fine old shade trees, beneath which her mother played as a little girl, and an old stone fence she found still standing. Another week was spent in New York with other relatives of her father. In all those places she was entertained in various interesting ways and many visits were made to historic places. Mrs. Hawkins was delighted with the New England country, which she found very beautiful, and with the very cordial hospitality of the people.

A second visit was made in Sioux City and Mrs. Hawkins came home by way of Denver,

Returning to Iowa, Mrs. Hawkins stopped in Chicago for a visit with her son, Max Hawkins, graduate of Chaffey, who is now attending the University of Chicago.

Chaffey Wives Enjoy Luncheon Party And Program

Approximately 30 members of the Chaffey Wives club had the privilege of being guests Thursday of Mrs. R. E. Berry at her home, 1029 Laurel avenue, Ontario, where they gathered for their October party.

The hostess and her assisting committee, Mesdames Frank Young, Harold Wilson and Ernest Payne, served a delightful luncheon at the noon hour.

Opening the afternoon session, Mrs. A. C. Hargraves, president of the club, conducted a brief business meeting and for the program, Mrs. Fred H. Clapp gave an interesting review of several late books.

As the entertainment feature, Miss Esther Nelson delighted her audience with two violin solos. She was accompanied at the piano by Mrs. Charles Jones.

Members of Pochionu Club Enjoy Party At Brian Home

Mrs. N. W. Brian of West Ninth street was hostess Monday to members of the Pochionu club when she entertained at her home with a luncheon and bridge party.

Hallowe'en decorations provided a touch of gaiety for the occasion and during the afternoon a spirited bridge tourney was enjoyed.

Mrs. Sam Barker was presented the guest prize and high score prize was won by Mrs. Frances Garner, second award going to Mrs. Roy Creighton and consolation to Mrs. H. D. Robbins.

The club members had the pleasure of welcoming a new member, Mrs. Wm. O. Rogers (Dorothy Kent) of Pomona, being taken into the circle.

Mrs. Isabelle Wisely will entertain at the next meeting of the club, Monday, Nov. 18.

Mrs. Brian's guests were Mrs. Wm. O. Rogers and Mrs. W. M. Keen of Pomona; Mrs. H. L. Presba and Mrs. H. D. Robbins of Ontario, Mrs. Francis F. Wagner of Alta Loma, Mrs. Frances Garner, Mrs. Sam Barker, Mrs. Blanche M. Loch, Mrs. Agnes B. Hawkey, Mrs. Roy Creighton and Mrs. Perry O. Long.

Pioneer Club Enjoys Pleasant Party

Meeting with Miss Saidee Sawyer, members of the Pioneer Embroidery club enjoyed a pleasant day Thursday. A contributed dish luncheon was served at noon and during the afternoon the group of friends visited while employed with their needlework.

Late in the afternoon Miss Louise Norton, daughter of one of the club members and a bride-elect, came in and was presented with a lovely gift from the club.

Miss Sawyer used choice roses on the luncheon tables and throughout the rooms.

Enjoying the afternoon together were Mrs. R. C. Norton and her sister-in-law, Mrs. Abbie Hopwood, recntly from Shanghai; Mrs. Minnie Goodrich, Mrs. E. C. Mehl, Mrs. J. F. Sawyer, Mrs. S. G. Moore, Mrs. A. L. Falis, Mrs. Grace Paulin, Mrs. H. M. Guy and Miss Sawyer.

St. Mark's Guild Tea Expected to Draw Many Guests

Recent announcement that Mrs. Caroline Brownson Baxter of Pasadena will present a book review at the benefit tea to be given at 2:30 Wednesday, Oct. 30, under the auspices of the Woman's Guild of St. Mark's Episcopal church, has aroused much interest throughout the community.

Mrs. Baxter, the very charming daughter of Mr. and Mrs. Roswell R. Brownson of Upland, is rapidly establishing an enviable record with her very clever book reviews, not only because of her pleasing manner of presentation, but as well for her unusual interpretation of the book. She will give resumes of four late books at the tea.

Mrs. Wm. H. S. Black is opening her home at 1531 Euclid avenue for the tea and a second delightful feature of the program will be a group of two-piano numbers played by Mrs. Black's daughter, Mrs. Walter Welge, 1514 Euclid avenue, and Mrs. C. H. Dekker of San Marino, daughter of Mr. and Mrs. W. C. Scheu. Both young matrons are talented musicians.

Mrs. G. A. Hanson, president of the Guild, and Mrs. Black will be hostesses for the occasion and they and all other members of the Guild are extending a cordial invitation to the public to attend. Tickets may be purchased from Mrs. Hanson or from any other member of the Guild.

Jellison Home Scene Of Merry Party

Women members of an informal bridge club took the prizes at the party given at the home of Mr. and Mrs. John Jellison, East Ninth street, early this week. Mrs. Fred R. Rickel established the highest score of the evening, while Mrs. Clifford Jellison was awarded a prize for the lowest score.

Informal playing of the popular card game provided diversion for the group, with Mrs. Jellison serving refreshments late in the evening.

Present for the party were Mr and Mrs. Fred R. Rickel, Mr. and Mrs. C. Ernest Olson, Mr. and Mrs. Clifford Jellison, Mr. and Mrs. Elmer Allen, Mr. and Mrs. Vernon V. Paine and Mr. and Mrs. John Jellison.

D. A. R. Chapters Plan Benefit Tea

With the San Antonio and Los Serranos chapters, Daughters of the American Revolution, uniting as co-hostesses, Mrs. Elmer H. Whitaker, state regent, will be the guest of honor at a reciprocity luncheon to be given at Red Hill Country club on Monday, Oct. 29. Mrs. Whitaker will be accompanied be her state executive board members, who also will be accorded special honors.

Mrs. Whitaker will be the program speaker and entertainment will be provided by Mrs. Cordelia Story Hutchinson and Miss Hollace Shaw, two well known West End vocalists.

* * *

Wednesday Afternoon Bridge Club Meets With Mrs. Moser

Gathering for an informal party, members of the Wednesday Afternoon Bridge club were entertained at the home of Mrs. L. E. Moser, 535 West Twenty-first street.

A contributed dish luncheon was served at noon and bridge playing and chatting provided diversion during the afternoon. At the conclusion of the tourney high score prize was awarded to Mrs. W. H. Tuttle, with second prize going to Mrs. W. H. Andrews.

Mrs. Abbie Hopwood, recently from Shanghai and a sister-in-law of Mrs. Ray C. Norton; and Mrs. T. M. Nichols were guests. The members attending were Mrs. Ray C. Norton, Mrs. Frank Baxter, Mrs. W. H. Tuttle, Mrs. Mary Eckerman, Mrs. H. M. Guy, Mrs. W. H. Andrews, Mrs. Alma Nelson, Mrs. F. W. Palmer, Mrs. John Anderson, Miss Mina Ruesink and Mrs. L. E. Moser.

Republican Women of District Meet To Resume Study

Reorganizing their group, that held the interest of many West End women during the last campaign, members of the West End Republican Women's Study club met Wednesday afternoon in response to a call made by Dr. Lillian F. Baxter, president.

The meeting was held at the home of Mrs. Frank B. Appleby in Armsley square, Ontario, and, notwithstanding the severe wind and dust storm that blew during the day, there was a gratifying number of sincerely interested women in attendance.

Opening the meeting with the usual form, including the salute to the flag, Dr. Baxter spoke briefly of the need for and the purpose of the club and proceeded to the reorganization.

Mrs. F. H. Manker, who previously served as secretary, was re-named to that office; Mrs. W. F. Goodban was elected corresponding secretary, and Mrs. Appleby, treasurer.

Mrs. Amy Huntoon is again to serve as chairman for the Ontario district, Mrs. Ben H. Wilson for the Alta Loma district, and Mrs. E. S. Bishop for the Cucamonga district. The Upland chairman is yet to be announced.

Miss Alice M. Larson is to serve as notification chairman, and Mrs. E. S. Bishop as publicity chairman.

With reorganization accomplished, the women turned their attention to a discussion of the general theme of study to be undertaken and it was decided to emphasize good citizenship and a study of the constitution. Plans also were made to occasionally present some outstanding speaker.

The next meeting will be held on Wednesday, Dec. 11, and thereafter the club will meet on the second Wednesday in each month.

The December meeting will be held at the home of Dr. Baxter, 1677 Euclid avenue, and Mrs. W. F. Goodban will lead the study.

At the conclusion of the meeting Wednesday a delightful tea hour was enjoyed, with Dr. Baxter presiding at the handsomely appointed tea table.

* * *

Anniversary Dinner Happy Event At Kitchel Home

In celebration of the silver wedding of Mrs. W. F. Kitchel's brother and sister-in-law, Mr. and Mrs. T. T. Workman of Bloomington, Mr. and Mrs. Kitchel entertained Wednesday evening at their home, 1112 Euclid avenue, with a family dinner.

White blossoms were used to adorn the table and all the appointments were in white and silver, a very charming effect being achieved.

Attending the dinner and spending a very pleasant evening together, were Mr. and Mrs. Workman and family of Bloomington, Miss Jennie Kitchel of Ontario, Mrs. Minnie Baker, a cousin, of Compton, and Mr. and Mrs. Kitchel and daughter, Miss Betty Kitchel.

* * *

Mary Brainard Tent To Practice In Ontario Hall

Members of Mary Brainard Tent, Daughters of Union Veterans, are called to meet at 1 o'clock Saturday afternoon in the American Legion hall in Ontario for special practice in preparation for the visit of the state inspector early in November.

The Ontario hall was selected for the meeting because of the greater space afforded for the floor work. All members are urged to be present.

Approximately 25 members of the tent gathered last evening at the home of Mrs. A. B. Clarke, 546 Campus avenue, and enjoyed a merry Hallowe'en party.

The colors of yellow and black prevailed in the decorations and black cats and witches were in evidence.

Various games were played and musical numbers were a part of the evening's entertainment. The guests also enjoyed a tour of Mrs. Clarke's brightly lighted garden, which is filled with many luxuriant ferns and beautiful flowers.

Late in the evening Mrs. Clarke served tempting Hallowe'en refreshments.

P. E. O. Chapter Meets At Eckerman Home For Program

Meeting at the home of Mrs. Mary Eckerman, 477 Euclid avenue, members of chapter DV, P. E. O., held an interesting session Monday evening, a full program being presented.

An interesting and beneficial study of parliamentary procedure was participated in by all the members when Mrs. H. I. Squire presented a lesson from Roberts Rules of Order.

A history of Death Valley presented by Miss Hettie Withey held the attention of the women, as they were taken back to the pioneer days when the valley was given its name.

At the conclusion of the program a social hour was enjoyed and refreshments were served, Mrs. Eckerman being assisted by Mrs. G. E. McQuatters as co-hostess.

* * *

Handwork Studied by Arts Section

A large number of club women who are especially interested in beautiful handwork, attended the meeting Tuesday morning of the Arts and Crafts section of the Upland Woman's club and saw an unusual exhibit of handmade articles.

Mrs. C. K. Francisco, chairman of the section, was in charge of the informal session. After inspecting and discussing the exhibit, the women spent some time with their individual needlework, comparing designs and exchanging bits of information about the work.

At the noon hour they participated in a contributed dish luncheon and later attended the regular afternoon meeting of the club.

Bethany Union Aid Will Give Program At Church Tonight

A community entertainment is being given tonight in the basement hall of Bethany Union church on San Antonio Heights under the ausuices of the Ladies Aid society of the church.

The program will begin at 7:30 and will include two one-act plays and musical numbers by Herbert Hall's orchestra. The plays will be "Sewing for the Heathen," directed by Mrs. Bert Collins, and "The Jerusalem Thimble Club," Mrs. Thomas Tyler director.

Another feature of the evening that is to provide amusement as well as a fund for the Aid treasury, will be a Dutch auction of a quilt. Everyone is invited to attend.

Saturday special, one day only, velvet corduroy, 10 good shades, all new, 89c quality, special 69c yard.—Harnish Dry Goods Co.—

The Modern Mummers are coming Nov. 5. See them.—Adv.

A good location is essential for a good home. Red Hill Estates has all the requirements. Ask those who live there. 88-tf

Mrs. R. R. Harrington, 742 Euclid avenue, who has been ill for nearly three weeks, is now improving and is able to be up occasionally for a brief period.

Saturday special, one day only, all novelty crepes, regularly selling at $1.25, Saturday only $1.—Harnish Dry Goods Co.—Adv. 51-1

Miss Vivian McCarty of South Archibald avenue, and Mrs. Una R. Winter of East Ninth street, Upland, spent the week-end in Laguna Beach attending the board meeting of the Southern District California Federation of Business and Professional Women's clubs.

The Rev. Lester Hostetler, pastor of the Upland Mennonite church, will leave Sunday afternoon for Newton, Kan., to attend a meeting of the Board of Education of Mennonite churches. Mr. Hostetler also will attend a peace meeting to be participated in by the Mennonites, the Church of the Brethren and the Friends church, or Quakers. He will be away one week.

Mrs. John Engle has received word from relatives in Africa that her brother, H. J. Frey, is in a serious condition, doctors at Bulawaya having advised that he be taken to Cape Town for further treatment and X-ray. His trouble is reported to be cancer. The last week he has been in comparative comfort. He and Mrs. Frey will probably go back to Bulawaya soon, where they have been missionaries in the Brethren-in-Christ church for 30 years.

Mrs. M. I. McCarty and Miss Catherine Smiderly spent Monday in Los Angeles, making a business and pleasure trip to that city.

Saturday special, one day only, 300-yard spools white cotton thread, regularly 2 for 15c; special 4 for 25c.—Harnish Dry Goods Co.—Adv. 51-1

Mrs. Bert Hendy, who underwent a major operation at the San Antonio Community hospital yesterday, was reported to be making a satisfactory recovery.

Upland Junior High school eleven played a scoreless tie game with the Emerson junior high "C" team of Pomona Tuesday. The local eleven, coached by Ed Dean, rallied several times but failed to score.

Pictures taken by the Old Baldy council Boy Scouts on their summer trip to Canada were shown at the meeting of the Upland Junior High school boys league this week Paul F. Schowalter, scoutmaster for Troop No. 3, who was among those on the trip, showed the pictures.

Attending the meeting of the Citrus Belt unit of the California League of Municipalities at Corona tonight will be Councilmen P. H. McQuillen, Godfrey Andreas, A. H. Johnson and D. J. Cameron, and Ernest C. Mehl, city clerk and police chief, and Richard G. Manley, city service manager.

Ray Gage, local secretary of the civil service commission, has announced open competitive examinations for the positions of aircraft mechanics, junior aircraft mechanic, aircraft welder, junior aircraft instrument mechanic and junior aircraft sheet metal worker. Additional information may be obtained from Mr. Gage at the Upland postoffice.

Saturday special, one day only, best percale prints, yard 19c.—Harnish Dry Goods Co.—Adv. 51-1

Mrs. J. I. Countryman, West Twenty-fourth street, returned on Tuesday from a few days visit with relatives in Los Angeles. Her niece, Miss Ruth Goldsborough, a nephew, H. J. Squiers, and a cousin, Mrs. Anna Beed, were guests of Mr. and Mrs. Countryman Sunday and Mrs. Countryman accompanied them home.

There were present from St. Mark's parish at the convocation of San Bernardino held in St. Andrew's, Elsinore, on Tuesday, the rector, Dr. Bert Foster; Mrs. G. A. Hanson, Mrs. Charles Deverts, Mrs. J. A. Colgan, Mrs. W. W. Phipps, Miss Alice Featherstone and John J. Jefreys. Over 100 delegates were present and there was a most inspiring program.

Mr. and Mrs. H. G. Smith of West Foothill boulevard and their son-in-law and daughter, Mr. and Mrs. Eugene Barnard, recently from Japan, returned Tuesday night from Flagstaff, Ariz., where they visited for several days with Mr. and Mrs. W. Merle Rash, son-in-law and daughter of the Smiths. They left Upland last week during a sandstorm and returned Tuesday when the windstorm was blowing.

Dr. Anna Starring of Pasadena, under whose direction Dr. Lillian F. Baxter studied when she first began the practice of medicine in Detroit, was a guest this week of Dr. Baxter at her home, 1677 Euclid avenue. Dr. Starring, who retired from active practice a few years ago, has since devoted her time to philanthropic work, becoming especially interested in the blind, among whom she has done valuable work. She has made a study of the Braille system and has translated several books for the blind, one being a translation of Herbert Hoover's book that has been placed in the Congressional library at Washington, D. C.

Judgment for damages in the amount of $51 was awarded Wednesday in Judge Fred Jacobs' justice court to Attorney Howard T. Mitchell, 256 Second avenue, against the Keystone Express System of Los Angeles. In his complaint Attorney Mitchell alleged a valuable filing cabinet was damaged and a case of law books was lost by the Keystone Express when moving his office equipment to Upland a few months ago. The attorney stated his efforts to secure an adjustment had been ignored.

Notes of Society

Mrs. Marks Delights Club Women With Unusual Story

Possessing the happy faculty of keen observation and the ability to humorously interpret what she sees and hears, Mrs. Louis M. Marks, local traveler and lecturer, appeared before the Upland Woman's club in afternoon session Tuesday and gave her fellow club members the privilege of seeing Europe by proxy, delighting them with her vivid descriptions, at once entertaining and informative.

Mrs. Marks' address was preceded by a brief business session conducted by Mrs. Clyde Whiteley, club president. Mrs. Whiteley also gave an interesting report of the recent Southern district board meeting held at Laguna Beach.

Mrs. Ray R. Sherwood, program chairman, presented Mrs. Marks, who spoke on "Incidents Abroad," including impressions gained during three European tours and a winter's sojourn at the Riviera.

Tours were made in England, Scotland, Switzerland, Germany and France, and visits were made to the homes of a number of famous authors of past centuries, with intimate glimpses of their lives being given.

Mrs. Marks also led her audience on a tour of the cathedral cities in England and on the continent, describing the architectural beauty of the famous cathedrals and the inspiration of their marvelous windows that are symphonies in color and design. Brief visits also were made to some of the great art galleries.

And all along the way Mrs. Marks paused frequently to give some bit of information and often refreshing humorous comment on the many things, including the traveling comforts provided, the friendliness and courtesy of the people; the myriad bicycles and the thatched roofs in Holland, the great Armistice day celebration in London, and many other fascinating details that made her talk delightful.

Mrs. Marks touched lightly upon the economic and political situation, that being too broad a subject for inclusion with any other. However, she did refer to the vast number of persons on the dole in England and to the very high tax paid by the Englishman, a great deal higher than the tax paid in this country. Mrs. Marks possesses a very pleasing personality that adds to the interest in address.

Another delightful feature of the program was the appearance of the Misses Charlotte and Marjorie Browning, daughters of Mr. and Mrs. J. B. Browning, both talented dancers. The sisters gave an intricate Ukrainian dance, followed by a toe dance by Charlotte and an eccentric tap dance by Marjorie, all the numbers being beautifully executed. They were accompanied by George Dooley at the piano.

A delightful tea hour concluded the afternoon, Mrs. Roy Karr, chairman of the October committee, and her sister, Mrs. Ancil Morris, being the hostesses. Mrs. S. M. Jessup and Mrs. Blanche M. Loch presided at the handsomely appointed tea table, which was adorned with Transvaal daisies.

Church Class Holds Social Meeting And Program

Meeting in the church parlor Tuesday evening, members of Rev. Joshua Bacon's class of the Methodist church enjoyed a social session and program.

The meeting was opened with assembly singing and the devotional service was conducted by Mrs. J. A. Betz. Mrs. Harry A. Cooley, president of the class, presided during the brief business session.

An interesting talk on books was given by Mrs. Geo. W. West, assistant librarian of the Upland public library, who briefly reviewed several books.

During the social hour that concluded the meeting refreshments were served by the hostesses for the evening, Miss Winona Scott, Mrs. William Campbell and Mrs. Cooley.

Attending the meeting were the Rev. and Mrs. Joshua Bacon, Mrs. J. A. Betz, Mrs. D. C. Anderson, Mrs. Howard Engle, Mrs Maud Hill, Mrs. Cecil Orr, Mrs. G. C. Mitchell, Miss Pearl Smith, Mrs. Roy Sachs, Mrs. Gertrude Young, Miss Harriet McKean, Mrs. E. A. Cooley, Mrs. Barstow, Mrs. Clara Jacobs, Mrs. Harry Jenison, Mrs. Stanley Read, Miss Elizabeth Fossett, Mrs. Cecil Chambers, Mrs. Hugh McLellan, Mrs. Ralph H. Marr, Mrs. Ella Eastlack, Miss Winona Scott, Mrs. William Campbell and Mrs H. A. Cooley.

CHARLES D. ADAMS OBSERVES BIRTHDAY

Upland Pioneer Is Host At Dinner on Ninety-first Anniversary

Charles D. Adams, one of Upland's oldest and highly esteemed pioneers, celebrated his ninety-first birthday on Tuesday, Oct. 22, when he was host at a dinner party given at his home, 2295 Mountain avenue.

Dinner was served at 1 p. m. and among the guests were the host's very good friend, Alois Podrasnik, another honored citizen who celebrated his ninetieth birthday on Oct. 7; the Rev. Ralph Rohr and the Rev. R. H. Gushee, the present rector and the rector emeritus of Christ Episcopal church in Ontario; the vestry of the church, including A. Bradford Whitney, H. F. Naisbitt and Clyde D. DuVall, and Egbert Adams of Los Angeles, son of the host.

A beautiful bouquet of flowers gathered from her own garden was the gift of Miss Bessie Beattie, and Mr. Adams received many other gifts and birthday greetings from friends and relatives in various places. During the afternoon a number of neighbors and other friends came in to congratulate Mr. Adams.

Mr. Adams has lived in Upland for almost 50 years, having come here in 1886. Realizing what the future held for the fruit industry, he became interested in citrus growing in the early days of the colony, and was one of the founders and developers of Upland. The name selected for the new town was his suggestion.

For 13 years he was manager of the Upland Citrus Assn., and for many years he served as a member of the varieties committee of the California Avocado Exchange and finally became president of that organization. He organized many branches of the California Fruit Growers Exchange in Southern California and Joaquin valley.

Mr. Adams is now and has been for a number of years the senior warden of Christ church. He has been an officer of the church for many years and a member of the standing committee of the diocese of the Episcopal church of Southern California for more than 20 years.

Mr. Adams has three sons. Egbert Adams of Los Angeles, who attended the dinner, is a former trade commissioner and field representative for the Los Angeles chamber of commerce; Julian Adams of Pasadena is electrical engineer for the Pacific Electric Railway Co., and Carl D. Adams is superintendent of the Holly Sugar Corp. of Sydney, Mont.

Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that *before the discovery* of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, *safe* relief.

Scientists rate Bayer Aspirin among the *fastest methods yet discovered* for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it *safe* for the average person to use regularly. *In your own interest remember this.*

You can get Genuine Bayer Aspirin at any drug store — simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this — and see that you *get* what you want.

Bayer Aspirin

Ray Dekins Employed By Mehl Hardware Co.

Ray Dekins, son of a prominent San Bernardino hardware merchant, has been employed by the Mehl Hardware Co. He will be a clerk in the local store.

Ernest C. Mehl will retire from the store on assuming active charge of the Upland police department as the new chief of police. Mr. Mehl's new municipal position makes a place for Mr. Dekins in the store and he hopes to become acquainted with the people in the Upland district.

Gasoline Sales In Month In Big Gain

Number of gallons of gasoline purchased by California motorists in September was 26 per cent greater than the September, 1934, total. Motorists spent $3,984,627 for gas according to the state board of equalization.

The amount of gasoline subject to the three cent state tax was 134,162,490 gallons. This monthly total has been exceeded only twice during the last two years.

Susie: "Why does a clock have to start all over again when it gets to 12?"

John: "Why, you boob, 'cause 13 is an unlucky number."

Psychology Course Offered at Chaffey

Practical psychology is a new course at the Chaffey junior college night school that is expected to attract wide attention. Herschel R. Griffin is the instructor. The course is being given on Wednesday nights from 7 to 9 p. m.

Daily problems confronting business men and relations between business men and their customers are studied in the course. The course is designed to be of practical aid to business people. Several members of the Ontario Business and Professional Women's club are attending.

WPA Projects Being Delayed Until More Men Are Available

Start of more WPA projects in the West End of the county is being delayed due to the large number of persons being employed in vineyards and orchards of the district, Ralph B. Smith, district director of WPA, said today.

"Our program is designed to give work to unemployed," Smith explained, "it is not to take men from private employment. I will make no effort to draw men from vineyards or fields to project work. As the harvest lessens, or terminates, we will employ men as they are available."

Smith disclosed the fact that a total of $261,342 has been allocated to San Bernardino county for operation of approved projects.

"I hear our new salesman is an atheist and doesn't believe there is any Hell."

"That store needs

MORE TELEPHONES!"

Your firm should have sufficient telephone service to satisfy your customers!

You lose business when your customers cannot reach you quickly by telephone.

They may not complain to *you*. But if the busy signal keeps them waiting, they can easily find *another* firm in the classified directory.

For it's human nature to seek prompt attention.

Unless you are sure that your telephone service is wholly adequate, *ask* a few of your customers. Their information may prompt you to add another telephone or two—and perhaps increase your reference listings in the new telephone directory.

CHAFFEY BATTLES RIVERSIDE TEAMS

Tigers Playing Today With Panthers to Face Dons Here Tomorrow

Chaffey football teams will see plenty of action this week. Riverside high school eleven was on Graber field this afternoon. Riverside junior college will have a strong team on the same field at 2:30 o'clock tomorrow afternoon, with the Chaffey jaysee Panthers as the foes.

Chaffey high school Tigers will have accomplished a lot if they turn back the Riverside invaders in the second conference game of the year. The teams started their annual battle at 3 o'clock this afternoon. To the winner is likely to go the Citrus Belt league title.

This feud between Chaffey and Riverside teams is an annual affair and the games are always close. Dope favors Chaffey victories this year.

Chaffey's defeat of Pomona last week gives the Tigers a big start toward the coveted title. The Tiger line is exceptionally heavy and alert and it will be some team that stops the Chaffey prep eleven.

While the Chaffey Panthers haven't made an impressive record so far this season, the team coached by Bert Heiser is looked upon as one of the best in recent years. Heiser has a good starting eleven with a wide variety of reserve material. The starting ends are John Kimmerle and Howard Weldon, with Grah and Wylie at tackle and Swain and Utman at guard. Fred Smith is given the opening call at center. The backfield starters will be Myers, quarterback; Estrain and Cross, halfbacks, and Roberts at fullback.

The high school eleven lined up the same as a week ago at Pomona.

P.-T. A. Council In Meeting Wednesday Despite Hard Wind

Undaunted by the sandstorm that was sweeping the valley on that day, a large number of members of Ontario P.-T. A. council gathered at Chino Wednesday for the October meeting, held in the Methodist church with the new president, Mrs. J. L. Dunlap of Chino, presiding.

A report of the membership campaign being conducted by Ontario council in cooperation with the district campaign, was made by Mrs. C. L. Cochran, council membership chairman, who stated about half the associations have reported, a total of 676 members being recorded so far. South Cucamonga school has made the greatest increase of those yet reporting.

Leonard Collins, superintendent of Chino schools, extended greetings and paid high tribute to the valuable work done by Parent-teacher associations during the past 20 years.

Reports of their departments were made by Mrs. Minnie Emmons, magazine chairman; Mrs. M. L. Corn, publicity chairman, who spoke of the record books, and Mrs. K. W. Fuller, life membership chairman.

Mrs. Emmons, who is district chairman of homemakers, spoke of the economic, the social and spiritual values of consumer education.

A panel discussion of "What We Owe Our Children" was conducted by Mrs. Howardine Hoffman, principal of Chino elementary schools, with Mrs. Elmer Anderson and others in the group participating.

Combining the November and December meetings, the council will meet again on Dec. 4 at the Ontario Central school.

Children Will Hear Hallowe'en Stories Saturday Afternoon

Stories of Hallowe'en will be told to the children who gather at the junior library Saturday afternoon at 2 o'clock for the regular story hour, it is announced by Mrs. Melvin Hocker, junior librarian.

The story hours in recent weeks have attracted large numbers of children, and with tomorrow's session being made a special Hallowe'en event, a large attendance is expected.

Your Taste Will Tell

"Can any little boy," asked the new teacher, "tell me the difference between a lake and an ocean?"

"I can," replied Edward, whose wisdom had been learned from experience. "Lakes are much pleasanter to swaller when you fall in."—Royal Arcanum Bulletin.

Ripe

Professor (in the middle of a joke): "Have I ever told the class this one before?"

Class (in a chorus): "Yes."

Professor (proceeding): "Good! You will probably understand it this time."—Royal Arcanum Bulletin.

NOTICE OF ASSESSMENT

No. 100

Upland Water Company—Principal Office 172 East Ninth St., Upland, California.

Notice is hereby given that at a meeting of the Board of Directors held on the 21st day of October, 1935, an assessment of $2.00 per share was levied upon the shares of the corporation, payable to the Secretary of the corporation, 172 East Ninth Street, Upland, California.

Any shares upon which this assessment remains unpaid on the 21st day of November, 1935, WILL BE DELINQUENT, and unless payment be made prior to delinquency, the said shares, or as many of them as may be necessary, will be sold at the office of the corporation, 172 East Ninth Street, Upland, California, on the 9th day of December, 1935, at 10 o'clock a. m. of such day, to pay the delinquent assessment, together with a penalty of five per cent of the amount of the assessment on such shares, or be forfeited to the corporation.

R. W. DAVIS, Secretary
172 East Ninth St., Upland, Calif.
51-1

NOTICE OF TRUSTEE'S SALE

Loan No. 4-882

Whereas, Joe Wiley and Catherine M. Wiley, husband and wife, heretofore executed and delivered a certain Deed of Trust, dated May 11, 1928, to PACIFIC STATES AUXILIARY CORPORATION, as Trustee, to secure the payment of a Promissory Note to PACIFIC STATES SAVINGS AND LOAN COMPANY, a corporation, and also all other indebtedness agreed by said Deed of Trust to be secured, which said Deed of Trust was recorded in the office of the County Recorder of the County of San Bernardino, State of California, in Book 373 of Official Records, at page 39; and

Whereas, default having been made in the payment of said Promissory Note according to its terms, PACIFIC STATES SAVINGS AND LOAN COMPANY, the owner and holder of said Note and Beneficiary under said Deed of Trust, on the 3rd day of July, 1933, filed for record a Notice of Default under said Deed of Trust in the office of the County Recorder of the County of San Bernardino, State of California, which said Notice of Default was recorded in said office in Book 897 of Official Records, at page 211; and

Whereas, more than three months have elapsed since said recording of said Notice of Default and said PACIFIC STATES SAVINGS AND LOAN COMPANY has demanded that the undersigned, as Trustee, sell the property included in said Deed of Trust, pursuant to the terms thereof and the provisions of the law;

Wherefore, notice is hereby given, pursuant to said demand, the terms of said Deed of Trust and the provisions of law, that the undersigned, as Trustee thereunder will sell, without warranty, on Thursday, the 7th day of November, 1935, at nine (9) o'clock a. m., at the steps of the Court House at the north entrance to the building, in the City of San Bernardino, State of California, at public auction, to the highest cash bidder, as an entirety, all of the property described in said Deed of Trust, situate in the City of Upland (formerly City of Ontario), County of San Bernardino, State of California, and more particularly described as follows:

Lot 14, Block 1, Tract 1960, City of Ontario, County of San Bernardino, State of California, as per plat recorded in Book 28 of Maps, page 41, records of said County.

Terms of Sale: Cash, lawful money of the United States of America, payable at time of sale.

Date: September 20, 1935.

PACIFIC STATES AUXILIARY CORPORATION, Trustee.

CHURCH RALLY IS TO CLOSE TONIGHT

Noted Churchmen Presented In Conference Here This Week

Dr. Herbert Francis Evans, of Whittier college, will feature the closing session of the interdenominational church conference in session this week in Upland, when he speaks tonight in the Presbyterian church on "Christianity and the Present Crisis."

The conference opened Thursday in the Methodist church with church representatives attending from various points in Southern California. At that session the speaker was Dr. Roy B. Guild of New York, associate general secretary of the Federal Council of the Churches of Christ in America.

This morning the program speaker was Dr. W. C. Pearce, a leader in Christian education work.

A number of special sessions and group meetings have been held during the conference.

The public is invited to attend the final session tonight.

ETIWANDA

ETIWANDA, Oct. 25.—A very enjoyable party was held in the church basement Tuesday afternoon under the auspices of the Missionary committee of the Ladies Aid society. Two lovely readings were given by Mrs. Lorraine Loch of Ontario. Each lady attending brought a gift in a wrapped package and these were auctioned off to the highest bidder, Miss Kathelene Price serving most capably as the auctioneer. Over $20 was raised for the missionary fund. Following the auction sale Mrs. H. W. Hawkinson of Upland gave an interesting talk, telling of her visit to the Chicago Century of Progress. Tea and wafers were served by the committee.

Mr. and Mrs. C. H. Jones of San Bernardino, Mrs. Mallman and Miss Clara Mallman of Los Angeles were guests of Mr. and Mrs. Walter Barnes Sunday. Mrs. Jones underwent an operation at a San Bernardino hospital Tuesday and is getting along as well as could be expected.

After a few days of calm a heavy wind again disrupted telephone and electric service and did some damage to citrus crops here. But again we are enjoying ideal weather.

Two very distinct earthquake shocks were felt here yesterday morning between 6:45 and 7:00, but no damage was done. Another light shock was felt shortly before 9:30 a. m.

Three delegates from the Etiwanda Parent-Teacher association attended the monthly meeting of Ontario council, P.-T. A., held at Chino Wednesday. They were Mrs. Thomas Donnelly, Mrs. Lue B. Dooley and Mrs. A. A. Werner.

Mrs. John Frost spent Wednesday at the home of her daughter, Mrs. Stanford Shaw, to assist her in getting settled in her new home, Mr. and Mrs. Shaw having moved from San Marino to Alhambra last week.

Mrs. E. E. Clark has been ill at her home here for several days.

Mr. and Mrs. Ed Pearson and their son and wife, Mr. and Mrs. Francis Pearson, who have been guests of the former's brother and wife, Mr. and Mrs. W. G. Pearson, for two weeks, left Tuesday for their home in Wichita, Kan.

Don V. Conklin of Fontana was here Thursday looking after business interests.

Dr. W. J. Thompson of Los Angeles will occupy the pulpit of the Etiwanda Congregational church Sunday morning and it is hoped the community will be well represented at the services.

Mrs. John Scott and son Philip motored to Los Angeles Monday evening.

SONS' AUXILIARY ELECTS OFFICERS

Mrs. Leslie Strawn Returned As President During Annual Meeting

Mrs. Leslie Strawn was unanimously re-elected president of the Woman's Auxiliary to the Sons of Veterans at the annual meeting held Tuesday evening in the Ontario American Legion hall.

The following officers, also unanimously elected, will serve with Mrs. Strawn: Mrs. T. A. Evans, senior vice-president; Mrs. Sadie Benner, secretary; Mrs. Harry Stolte, treasurer; Mrs. Elizabeth Taylor, chaplain; Mrs. R. A. Martin, guide; Mrs. J. W. McConkay, assistant guide; Mrs. Benner, press chairman; Mrs. Rose Burwell, musician; F. E. O'Brien, counsellor; Mrs. T. A. Evans, Mrs. Elizabeth Rowe and Mrs. Carrie Hewes, trustees.

Mrs. J. W. McConkay was elected delegate and Mrs. T. A. Evans alternate delegate to the national encampment to be held in the east next year.

For the Santa Barbara state encampment, Mrs. R. A. Martin, Mrs. Rose Burwell and Mrs. J. W. McConkay were named delegates.

Mrs. Strawn named as her aids Mrs. Evans, Mrs. Carrie Hewes, Mrs. Pearl Wilbourn, Mrs. Burwell and Mrs. Martin.

Mrs. Evans and Mrs. Benner were appointed a committee to prepare for Armistice day.

Announcement was made of plans to join in the nation-wide observance of Veterans day on Nov. 19.

The newly elected officers of the Auxiliary will be installed at a home-coming meeting to be held on Nov. 26.

After the business session talks were made by Mrs. Strawn, F. E. O'Brien, H. J. Clewett and Leslie Strawn, commander of the Sons of Veterans.

"Don't Let Home Fires Start," Is Popular Title Now

During the days of the World War it was "Keep the Home Fires Burning." Now the title of a ditty, according to Fred E. Draper, local insurance agent, should be, "Don't Let Home Fires Start."

According to Mr. Draper residence fires have increased 40 per cent in the last 10 years. Each year approximately 7,000 people, half of whom are children, lose their lives in dwelling fires. Two-thirds of all fire fatalities in this country now occur in residence fires.

Most of these destructive fires are the result of carelessness, pointed out Mr. Draper. Many common mistakes are made in the average home which are quite easily avoidable.

Monoxide Gas Peril Cited in Warning

Warning to persons here against monoxide gas was issued today by Upland police. With the coming of cooler weather when motorists are inclined to close up all windows in their cars, there is a danger in carbon monoxide gas, given off by automobile motors.

In many cars there is no possibility of the dangerous fumes entering the passengers' compartment, but the warning called attention to this possibility in some cars.

Enough carbon monoxide gas can be produced by an automobile running in a small garage with doors and windows closed to cause death in a short time. The only sure protection is to be certain of a good flow of fresh air through the garage.

The gas may also seep through floorboards into a car and cause sudden weakness and even death unless there is sufficient air circulating inside the closed compartment.

Victims of carbon monoxide gas should be removed to the open air at once and a physician summoned.

ALTA LOMA-CUCAMONGA

Hallowe'en Party Tonight

Children of the Alta Loma school are to be guests of the Parent-Teacher association Friday night when a Hallowe'en frolic will be given in the school house, and preparations are being made for a merry event, according to the P.-T. A. president, Mrs. Harry Wright. The children are to compete in a costume parade and prizes will be given for the best and for the most comic costumes. Merry games will be played and refreshments will be served. The children will be admitted free, but an admission of 10c will be charged for adults, the proceeds going to the fund being accumulated by the P.-T. A. for the purchase of a set of dishes. The committee in charge includes Mrs. Floyd T. Moore, Mrs. Isaac Habegger and Mrs. Titterington.

To a man returning home rather late, his wife said: "I suppose you've been sitting up holding a sick friends hand?"

"Not much," said the husband. "If I had held his hand, I wouldn't be broke."

FIRST MENNONITE
Lester Hostetler, Minister

Sunday school at 9:30 a. m. Wallace Hiebert, superintendent.
